

6th Japan - Korea Symposium on *Materials & Interfaces*

October 21~24, 2004

Beppu, Japan

Second Circular

Organized by

- Divisions of Materials & Interfaces and Reaction Engineering, The Society of Chemical Engineers, Japan
- Divisions of Materials, Polymer and Catalysis, The Korea Institute of Chemical Engineers
- The Information Center of Particle Technology, Japan
- Hosokawa Powder Technology Foundation

Invitation

The Organizing Committee cordially invites you to participate in the 6th Japan - Korea Symposium on Materials & Interfaces, which will be held from October 21st through 24th, 2004, in Beppu, Japan. The main objectives of the symposium are to share the latest research results, to exchange ideas and to boost the cooperative relations among chemical engineers, chemists and materials engineers concerned with materials between the two countries. The scope of the symposium will cover all aspects of materials research within the field of chemical engineering, chemistry and materials science and engineering with focusing on:

Nanoparticles

Colloids and Interfaces

Electronic Devices

We look forward to seeing you in Beppu in October, 2004.

Extended Abstracts

The extended abstracts will be published in the proceedings and will be available at the symposium. A standard form of the one-page extended abstract in pdf and MS word formats will be uploaded in our web site (http://www.ecm.okayama-u.ac.jp/process/index_j.htm) and we encourage authors to prepare the abstracts in accordance with the standard format. Note that each extended abstract should be no more than one page in length. The extended abstracts should be submitted to Prof. Koichiro Shiomori (shiomori@cc.miyazaki-u.ac.jp) at Miyazaki University by e-mail. Deadline for receiving extended abstracts is **September 24, 2004**.
